CAREER OBJECTIVE:

Intend to build a career in leading corporate company with committed and dedicated people, which will help me to explore myself fully and realize my potential, willing to work as a key player in challenging and creative environment.

PROFILE SUMMARY:

- Good knowledge of **Excel** and **MS Office.**
- Good knowledge of **+ES6, Node-NPM , Redux-Toolkit, Bootstrap, Reactstrap, Material UI, SQL, Mongo DB, Node JS, Express JS**
- Experience in developing enterprise applications using IDE tool like **VS Code, Dreamviewer**, **Adobe Photoshop.**
- Strongly initiative, creative good team player and able to learn new technologies quickly.

WORK EXPERIENCE:

Assistant Executive, Sahoo Enterprises   **[Feb 2023 to May 2023]**

As an Accounting Assistant Executive at Sahoo Enterprises, I took charge of various financial and administrative responsibilities crucial to the smooth functioning of the organization. My day-to-day tasks included managing financial records, reconciling accounts, and providing collaborating with cross-functional teams, coding and debugging leading to the successful delivery of a user-friendly website. Specific contributions involved optimizing website speed, implementing responsive essential support to senior executives. I successfully streamlined communication processes within the finance team.

Web Developer, Hits Rourkela   **[Nov 2021 to Dec 2022]**

Serving as a Web Developer at Hits Rourkela, I spearheaded the design and implementation of web applications, ensuring optimal performance and user experience. My responsibilities included design, and leading the integration of new features, contributing to enhanced user satisfaction.

IT Teacher   **[May 2019 to Dec 2020]**

As an IT Teacher during the challenging period of the pandemic, I excelled in developing and delivering both offline and online lessons. I played a pivotal role in adapting the curriculum for online learning, ensuring a seamless transition from traditional classroom activities to virtual platforms. My responsibilities encompassed conducting engaging virtual classes, creating comprehensive online teaching materials, and providing technical support to students in both offline and online settings.

LAB Assistant, CNET Rourkela   **[Feb 2016 to April 2019]**

Serving as a LAB Assistant at CNET Rourkela, I played a crucial role in managing laboratory equipment, assisting students with experiments, and ensuring a safe and organized working environment.
